

Position: Gymnastics Coach – Part time Recreational/Birthday Parties
Duration: 23 weeks: September 6-February 20
Hours/week: 12+
Wage: \$17/hour
Application deadline: August 1

Job Description:

- ❖ Strathmore Gymnastics Centre coaches must have creativity, enthusiasm and a passion to teach young children through coaching and implementing quality, fun-filled and well-rounded gymnastics programs for children aged 4-12. The successful applicant will inspire to be a positive role model, not only teaching gymnastics skills, but life skills, and helping to build confidence and positive relationships. With the guidance of senior level coordinators and mentors, junior coaches will have the opportunity to enhance their own growth and development, while developing and demonstrating their own coaching styles.
- ❖ You will be required to interact with parents and children, as well as other coaches, to provide a positive and engaging class experience.
- ❖ Jr. coaches will be responsible for running fun, energetic birthday parties, under the guidance of senior level coaches.
- ❖ The hours for this position will range from 12-20 hours/week. It may be possible to schedule onsite evaluations for those that wish to complete their Foundations certification in pursuit of future employment.
- ❖ The Strathmore Gymnastics Centre coordinators will conduct formal and informal meetings intended to evaluate work progress including performance and program evaluation. As well the individual will be supported to work towards their next level of coaching certification. The exploration of continued opportunities for employment will be provided.

Additional responsibilities include (but are not limited to):

- Working with other SGC coaches to ensure equipment and gym area are safe and ready for use.
- Interacting with customers (both parents and children) on a regular basis, and ensuring that the lines of communication remain open.
- Participating in staff meetings and training as required.
- Taking attendance, lesson planning and tracking athlete progress.
- Completing all reporting documents as required.
- Assisting coordinators as needed.
- If required, working with other coaches/coordinators to adapt and/or accommodate for participants with special needs, both physical and emotional.
- Participating in various formal and informal meetings intended to evaluate work progress and performance, and exploring continued opportunities for employment.
